Any money in the building South Dakota fund is continuously appropriated to the Bureau of Finance and Management. The state may accept and expend for the purposes of this Act any funds obtained from appropriations or any other source. Interest earned on money in the fund shall be deposited into the fund.

If the Board of Economic Development approves a new or expanded facility with project costs exceeding twenty million dollars to receive a reinvestment payment pursuant to the provisions of sections 24 to 36, inclusive, of this Act, the Department of Revenue shall deposit all of the contractor's excise tax imposed and paid pursuant to the provisions of chapter 10-46A or 10-46B on the project costs into the building South Dakota fund.

The state treasurer shall transfer fifty percent of the unclaimed property deposited in the general fund pursuant to chapter 43-41B in state fiscal year 2016 and each year thereafter into the building South Dakota fund.

Notwithstanding the provisions of this section, no deposit or transfer to the building South Dakota fund may be made by the commissioner of the Bureau of Finance and Management if the projected ongoing revenues adopted by the Legislature for the prospective fiscal year are insufficient

The board may approve a reinvestment payment that is equal to or less than South Dakota sales and use tax paid on the project costs.

The board shall consider the following factors when making that determination:

- (1) Has the county or municipality adopted a formula to reduce property taxation for the project for five years under the discretionary formula pursuant to § 10-6-35.2;

If GOED requests additional documents or information from the project owner, the ninety day period begins to run from the date of receipt of the additional documents or information. GOED shall tender the reinvestment payment by electronic funds transfer.

Section 32. There is hereby created the reinvestment payment fund for the sole purpose of making reinvestment payments pursuant to the provisions of sections 24 to 36, inclusive, of this Act.

If the Board of Economic Development approves a reinvestment payment pursuant to the provisions of sections 24 to 36, inclusive, of this Act, the Department of Revenue shall deposit a portion or all of the sales and use taxes paid by the project owner up to a maximum amount of the reinvestment payment approved by the board.

The funds in the reinvestment project fund are continuously appropriated to GOED to make

reinvestment payments pursuant to sections 24 to 36, inclusive, of this Act. If any money deposited in the fund and set aside for a specific reinvestment payment is in excess of the final reinvestment payment or the specific project becomes ineligible for the reinvestment payment, such money shall be deposited into the general fund. Interest earned on money in the fund shall be deposited into the general fund.

Section 33. If the project is located on land that is included within the agreement area of a sales and use tax collection agreement entered into by the state and an Indian tribe pursuant to chapter 10-12A, the board may only approve a reinvestment payment that is equal to or less than the amount of funds attributable to the project that the Department of Revenue retains pursuant to the terms of the tax collection agreement.

Section 34. The name of any person that receives a reinvestment payment as provided by sections 24 to 36, inclusive, of this Act and the amount of the reinvestment payment is public information and shall be available and open to public inspection as provided in § 1-27-1. Section 35. The board may promulgate rules, pursuant to chapter 1-26, concerning the procedures and forms for applying for and receiving the reinvestment payment, the requirements necessary to qualify for the reinvestment payment, and the criteria to evaluate projects submitting applications.

Section 36. No person who works for a project may be employed for a commission dependent in any manner upon the approval of any government grants, loans, or reinvestment payments that the person obtains for the project.

 - (d) Add the product of subsection (a) to the product of subsection (b) and to the calculation in subsection (c);
- (3) State aid is (a) local need minus local effort, or (b) zero if the calculation in (a) is a negative number;
- (4) If the state aid appropriation for the general support of education is in excess of the entitlement provided for in this section and the entitlement provided for in § 13-13-85, the excess shall be used to fund any shortfall of the appropriation as provided for in § 13-37-36.3. The secretary shall report to the Governor by January seventh of each year, the amount of state aid necessary to fully fund the general aid formula in the current year. If
