23 The state treasurer shall administer the fund. The purpose of the fund is to provide
24 for the return of unclaimed property, provide for the payment of audit expenses, and
25 deposit into the general fund the distribution amount, in accordance with section 5 of this
26 Act. Distribution amounts from the fund must be budgeted through the general
27 appropriation bill as provided for in section 5 of this Act or expended by special
28 appropriation. Moneys comprising the principal amount in the trust fund for unclaimed
29 property may not be appropriated by the general appropriation bill or by special
30 appropriation.

31 **Section 5. That a NEW SECTION be added to chapter 43-41B:**

1 Beginning in fiscal year 2026 and each fiscal year thereafter, the state treasurer
2 shall, after paying from the unclaimed property operating fund all claims and any
3 administrative costs associated with the sale of unclaimed property, deposit into the
4 general fund the net receipts from unclaimed property, up to the general fund contribution
5 limit, as established in section 3 of this Act.

6 Any net receipts from unclaimed property that exceed the general fund contribution
7 limit as defined in section 3 of this Act, must be deposited into the trust fund for unclaimed
8 property.

9 The state investment officer shall calculate an amount equal to four percent of the

14 market value must be determined by adding the market value of the trust fund at the end
15 of the sixteen most recent calendar quarters as of December thirty-first, and dividing the
16 sum by sixteen. Upon notice of the amount by the state investment officer, the state
17 treasurer shall transfer the distribution amount from the trust fund to the general fund as
18 soon as practicable after July first of the next fiscal year.
