22 Section 5. Notwithstanding any other provision of law to the contrary, the office may use
23 the collection remedies provided in this Act, or any other collection remedy provided by state
24 law, to facilitate the collection of debt referred to the office by a referring entity. Except for the

1 debt collection powers vested in the Unified Judicial System, the office may also use the
2 referring entity's statutory collection authority to collect the debt owed to the referring entity.
3 The office may determine which method or combination is most suitable to collect the debt.

4 Section 6. For any debt referred to the office for collection after July 1, 2015, the office shall
5 collect a cost recovery fee in addition to the debt referred to the office for collection. The cost
6 recovery fee is calculated by multiplying the principal amount of the debt referred to the office
7 by twenty percent.

8 All debt collection methods available to collect any debt referred to the office may be used
9 by the office to collect the cost recovery fee.

10 Section 7. The office shall retain the cost recovery fee and transfer any other moneys
11 collected from a debtor to the referring entity within thirty days after the end of the month in
12 which the moneys were collected. If the amount collected is less than the principal amount of
13 the debt referred to the office and the cost recovery fee imposed by this Act, the amount
14 collected shall be prorated between the principal amount of the debt referred and the cost
15 recovery fee.

16 Section 8. The cost recovery fee shall be deposited into the office special fund to be used
17 to fund the operations of the office.

18 Section 9. Any executive branch agency may use the office to collect debt owed to an
19 executive branch agency.

20 Section 10. The Unified Judicial System may use the office to collect any costs, fines, fees,
21 or restitution ordered in any adult criminal proceeding.

22 Section 11. The South Dakota Board of Regents may use the office to collect any debt owed
23 within the South Dakota Board of Regents' system.

24 Section 12. Any constitutional office may use the office to collect debt owed to the

1 constitutional office.

2 Section 13. Prior to transferring any debt to the office for collection, the referring entity shall
3 provide a final notification to the debtor that the debt will be referred to the office for collection.

4 The final notification to the debtor may be sent by regular mail or by electronic means. The
5 final notification shall contain all of the following:

- 6 (1) The name of the referring entity;
- 7 (2) Contact information for the referring entity;
- 8 (3) The name of the debtor;
- 9 (4) The nature of the debt;
- 10 (5) The principal amount of the debt;
- 11 (6) The total amount of the debt;
- 12 (7) A statement that the debt will not be turned over for collection to the office until a
13 time at least fourteen days after the date the final notification is sent to the debtor;
14 and
- 15 (8) A statement that if the debt is turned over to the office, a cost recovery fee of twenty
16 percent of the principal, in the amount of \$ _____, will be added to the total debt
17 owed by the debtor to the referring entity.

18 Section 14. The office shall keep any information regarding any debt referred to the office
19 confidential. All data, records, and files utilized for debt collection as provided for in this Act
20 shall be confidential and privileged, and no person may divulge or disclose any information
21 obtained from such records and files except in the administration and enforcement of this Act.

22 Section 15. The office may collect data for purposes of collecting any debt referred to the
23 office. Notwithstanding any law to the contrary, referring entities are authorized to transmit data
24 to the office deemed necessary by the office to aid in the collection of the referred debt.

1 Notwithstanding any law to the contrary, the office may request from any state agency any data
2 necessary to collect any debt referred to the office, and the data shall be provided by the state
3 agency to the office. Any information provided by a referring entity or a state agency may only
4 be used for the purpose of collecting the debts referred to the office.

5 Section 16. The office shall establish and maintain a centralized electronic debt management
6 system to compile the information provided by referring entities, to track the collection efforts
7 for all debt referred to the office, to cross-reference and identify debtors for collection purposes,
8 and to maintain all information provided or collected from all sources concerning addresses,
9 financial records, and any other information useful to the office.

10 The office may designate a third party to establish and maintain the centralized electronic
11 debt management system. Any such third party shall keep all information it obtains from any
12 source confidential, and any employee, agent, or representative of that third party is prohibited
13 from disclosing that information to anyone other than the office.

14 Section 17. Notwithstanding other statutory provisions which provide for execution,
15 attachment, garnishment, or levy against accounts, the office may use the administrative wage
16 assignment process established in sections 17 to 35, inclusive, of this Act, to collect debt
17 referred to the office. It is expressly provided that these remedies shall be cumulative and that
18 no action taken by the office shall be construed to be an election on the part of the office to
19 pursue or not pursue any other remedy provided by law.

20 Section 18. A debtor is subject to administrative wage assignment if the debtor's debt is
21 being collected by the office. Any amount forwarded to the office by an employer under an
22 administrative wage assignment may not exceed the amount of the debtor's debt plus the cost
23 recovery fee being collected by the office regarding the debtor.

24 Section 19. The office may proceed with an administrative wage assignment if notice has

1 been sent by regular mail, by electronic means, or by delivery by an employee of the office, to
2 the debtor notifying the debtor that the debtor is subject to administrative wage assignment and
3 of the office's intention to use the administrative wage assignment process.

4 Section 20. If the debtor has more than one employer, the office may receive administrative
5 wage assignments from one or more of the employers until the debt is satisfied. The office shall
6 give notice to all employers from whom an administrative wage assignment is sought.

7 Section 21. The administrative wage assignment notice from the office to the debtor shall
8 contain the following information:

9 (1) The debtor is believed to have employment with the stated employer;

10 (2) Pursuant to the provisions of this Act, the debtor's wages will be assigned to the
11 office for payment of the specified debts and that the employer is authorized and
12 required to forward moneys to the office; and

13 (3) Any challenge to the action must be in writing and must be received by the office
14 within ten days of the date of the notice to the debtor.

15 Section 22. The office may contact an employer to obtain verification of employment, and
16 any specific information from the employer that the office needs to initiate, effectuate, or
17 maintain collection of the debt. Contact with an employer may be by oral, written, or electronic
18 communication. The employer may require an appropriate verification process for the
19 communication between the employer and the office.

20 Section 23. An employer is immune from any civil or criminal liability for information
21 released by the employer to the office pursuant to this Act.

22 Section 24. The office is not liable for any costs incurred or imposed by any employer or
23 debtor for initiating, effectuating, or maintaining an administrative wage assignment pursuant
24 to this Act.

1 Section 25. The office may send a notice of administrative wage assignment to the employer
2 any time after sending notice of the administrative wage assignment to the debtor pursuant to
3 section 21 of this Act. The notice shall inform the employer of the amount to be assigned to the
4 office. Upon receipt of such notice of administrative wage assignment, the employer shall
5 withhold from compensation due, or to become due to the employee, the total amount shown
6 by the notice. The office may direct the employer to withhold part of the amount due the
7 employee each pay period, until the total amount as shown by the notice has been withheld. The
8 employer may not withhold more than twenty-five percent of the compensation due to any
9 employee for any one pay period, except if the employee leaves the employ of the employer or
10 gives notice of his or her intention to do so, or is discharged for any reason. The employer shall
11 withhold the entire amount otherwise payable to such employee or so much thereof as may be
12 necessary to equal the unwithheld balance of the amount shown in the notice. The compensation
13 due to any employee for purposes of determining the twenty-five percent maximum withholding
14 for any one pay period shall include all wages, salaries, and fees constituting income, including
15 compensation paid for future services, when paid to an employee, less any amount payable
16 pursuant to any garnishment action served prior to the notice of administrative wage assignment
17 and any amount covered by any irrevocable and previously effective assignment of wages. The
18 amount and the facts relating to the assignment the employer shall be disclosed to the office
19 within ten days after service of the notice of administrative wage assignment.

20 Section 26. The notice of administrative wage assignment to the employer shall contain the
21 following information:

- 22 (1) The debtor is believed to be employed by the employer; and
23 (2) Pursuant to the provisions of this Act, the debtor's wages are subject to assignment
24 and the employer is authorized and required to forward monies to the office.

1 Section 27. Upon receipt of the notice of administrative wage assignment from the office,
2 the employer shall do all of the following:

3 (1) Immediately instate the administrative wage assignment and hold compensation to
4 the extent of the debt indicated in the notice from the office; and

5 (2) No sooner than ten days, and no later than twenty days from the date the employer
6 receives the notice of administrative wage assignment, and unless notified by the
7 office of a challenge of the administrative wage assignment by the debtor, the
8 employer shall begin forwarding the debtor's compensation, to the extent required in
9 the notice, to the office with the debtor's name and social security number, the
10 office's account number for the debtor, and any other information required in the
11 notice.

12 Section 28. The employer may assess a one-time fee against the debtor, not to exceed
13 twenty-five dollars, for forwarding of moneys to the office, for each notice received by the
14 employer pursuant to section 26 of this Act. This fee is in addition to the amount owed to or
15 being collected by the office from the debtor. If insufficient funds are available from the debtor's
16 compensation to cover the fee and the amount in the notice of administrative wage assignment,
17 the employer may deduct the fee amount prior to forwarding moneys to the office.

18 Section 29. Challenges to an administrative wage assignment may be initiated only by a
19 debtor. Any review by the office of a challenge to an administrative wage assignment is not
20 subject to chapter 1-26.

21 Section 30. The debtor challenging an administrative wage assignment shall submit a written
22 challenge to the office within ten days of the date of the notice sent pursuant to section 21 of this
23 Act.

24 Section 31. The office, upon receipt of a written challenge, shall review the facts of the

1 administrative wage assignment with the debtor within ten days of receipt of the challenge. If
2 the debtor is not available for the review on the scheduled date, the review may take place
3 without the debtor present. Information in favor of the debtor shall be considered by the office
4 in the review. The office may utilize additional information if the information is available. Only
5 a mistake of fact, including a mistake in the identity of the debtor or a mistake in the amount
6 owed to or being collected by the office, shall be considered as a reason to dismiss or modify
7 the administrative wage assignment.

8 Section 32. If the office determines that a mistake of fact has occurred, the office shall
9 proceed as follows:

- 10 (1) If a mistake in identity has occurred or the debtor does not have a debt to be collected
11 by the office, the office shall notify the employer that the administrative wage
12 assignment has been released. The office shall send a copy of the notice of release of
13 administrative wage assignment to the debtor by regular mail, by electronic means,
14 or by delivery by an employee of the office;
- 15 (2) If the debt to be collected by the office is less than the amount indicated in the
16 original notice of administrative wage assignment, the office shall send a notice to
17 the employer of the revised amount, with a copy of the original notice, and send a
18 notice to the debtor by regular mail, by electronic means, or by delivery by an
19 employee of the office. Upon receipt of the notice from the office, the employer shall
20 release the funds in excess of the revised amount and forward the revised amount to
21 the office pursuant to the administrative wage assignment; and
- 22 (3) Any money received by the office in excess of the amount to be collected by the
23 office shall be returned to the debtor.

24 Section 33. If the office finds no mistake of fact, the office shall send a notice to that effect

1 to the debtor by regular mail, by electronic means, or by delivery by an employee of the office,
2 and notify the employer to forward the moneys pursuant to the administrative wage assignment.

3 Section 34. The debtor may file an action for wrongful assignment in circuit court within
4 thirty days of the date of the notice sent to a debtor pursuant to subdivision (2) of section 32 of
5 this Act or section 33 of this Act, either in the county where the debtor is located or in Hughes
6 County where the office is located. Actions under this section are in equity and not actions at
7 law. Recovery under this section is limited to restitution of the amount that has been wrongfully
8 encumbered or obtained by the office. A challenge to an administrative wage assignment under
9 this section may not be used to extend or reopen the statute of limitations to protest other actions
10 or to contest the amount or validity of the debt. Only issues involving the assignment may be
11 raised in a challenge to an action under this section.

12 Section 35. A notice of administrative wage assignment given to the debtor is effective
13 without the service of another notice until the debt, plus the cost recovery fee being collected
14 by the office is paid in full or the debtor receives notice from the office that the administrative
15 wage assignment shall cease. Cessation of the administrative wage assignment does not affect
16 the debtor's duties and liabilities respecting the wages, income or compensation already withheld
17 pursuant to the administrative wage assignment.

18 Section 36. The office may establish and maintain a financial institution data match system
19 for the purpose of identifying and seizing the non-exempt assets of debtors as identified by the
20 office. The office may designate a third party to establish and maintain this system. Any third
21 party so designated shall keep all information it obtains from both the office and the financial
22 institution confidential. Any employee, agent, or representative of that third party is prohibited
23 from disclosing that information to anyone other than the office or the financial institution.

24 Section 37. Each financial institution doing business in the state shall, in conjunction with

1 the office, establish and maintain a data match system to facilitate the identification and seizure
2 of nonexempt financial assets of debtors identified by the office. If a financial institution has a
3 data match system developed or used to administer the child support enforcement programs of
4 this state, and if that system is approved by the office, the financial institution may use that
5 system to comply with the provisions of this Act.

6 Section 38. Each financial institution shall provide identifying information each calendar
7 quarter to the office for each debtor identified by the office who maintains an account at the
8 institution. The identifying information shall include the debtor's name, address, and social
9 security number or other taxpayer identification number, and all account numbers and balances
10 in each account.

11 Section 39. A financial institution that complies with this Act is not liable under state law
12 to any person for the disclosure of information to the office, or any other action taken in good
13 faith to comply with this Act.

14 Section 40. Any financial institution furnishing a report to the office is prohibited from
15 disclosing to any debtor that the name of the debtor has been received from or furnished to the
16 office, unless authorized in writing by the office to do so. A violation of this section shall result
17 in the imposition of a civil penalty equal to the greater of one thousand dollars or the amount
18 in the account of the person to whom the disclosure was made for each instance of unauthorized
19 disclosure by the financial institution. The civil penalty may be assessed and collected under the
20 provisions of this Act.

21 Section 41. A financial institution may disclose to its depositors or account holders that the
22 office has the authority to request certain identifying information on certain depositors or
23 account holders under the financial institution data match system for debt collection purposes.

24 Section 42. Notwithstanding other statutory provisions which provide for execution,

1 attachment, garnishment, or levy against accounts, the office may utilize the administrative bank
2 levy process established in sections 42 to 58, inclusive, of this Act to collect debt referred to the
3 office. It is expressly provided that these remedies shall be cumulative and that no action taken
4 by the office shall be construed to be an election on the part of the office to pursue or not pursue
5 any other remedy provided by law.

6 Section 43. The office may initiate an administrative bank levy to seize one or more
7 accounts of a debtor who is subject to this Act.

8 Section 44. No amount forwarded by a financial institution pursuant to an administrative
9 bank levy may exceed the amount of debt due on that date plus the cost recovery fee being
10 collected by the office.

11 Section 45. The office may proceed with an administrative bank levy if notice has been sent
12 by regular mail, by electronic means, or by delivery by an employee of the office, to the debtor
13 notifying the debtor that the debtor's account is subject to administrative bank levy and of the
14 office's intention to use the administrative bank levy process.

15 Section 46. The office may contact a financial institution to obtain verification of the
16 account number, the names and social security numbers listed for the account, and the account
17 balance of an account held by a debtor. Contact with a financial institution may be by oral,
18 written, or electronic communication. The financial institution may require an appropriate
19 verification process for the communication between the financial institution and the office.

20 Section 47. The financial institution is immune from any civil or criminal liability for
21 providing information to the office pursuant to this Act.

22 Section 48. The office is not liable for any costs incurred or imposed by any financial
23 institution or debtor for initiating, effectuating, or maintaining an administrative bank levy
24 pursuant to this Act.

1 Section 49. To initiate an administrative bank levy against an account of a debtor, the office
2 shall send by regular mail, by electronic means, or by delivery by an employee of the office, a
3 notice to the financial institution with which the account is placed, directing the financial
4 institution to forward all or a portion of the moneys in the debtor's account to the office. The
5 notice to the financial institution shall contain the following information:

- 6 (1) The debtor is believed to have an account at the financial institution; and
7 (2) Pursuant to the provisions of this Act, the debtor's account is subject to seizure and
8 the financial institution is authorized and required to forward monies to the office.

9 Section 50. The office shall notify a debtor subject to an administrative bank levy pursuant
10 to this Act. The notice shall contain the following information:

- 11 (1) The debtor is believed to have an account at the financial institution;
12 (2) Pursuant to the provisions of this Act, the debtor's account is subject to seizure and
13 the financial institution is authorized and required to forward moneys to the office;
14 and
15 (3) Any challenge to the action must be in writing and must be received by the office
16 within ten days of the date of the notice to the debtor.

17 The office shall send the notice required by this section to the debtor by regular mail, by
18 electronic means, or by delivery by an employee of the office, within two working days of
19 sending the notice to the financial institution required by section 49 of this Act.

20 Section 51. The office shall notify any other party known to have an interest in an account
21 subject to an administrative bank levy. The notice shall contain all of the following:

- 22 (1) The name of the debtor;
23 (2) The name of the financial institution;
24 (3) A statement that the account in which the other party is known to have an interest is

1 subject to seizure;

2 (4) A statement that any challenge to the action shall be in writing and shall be received
3 by the office within ten days of the date of the notice to the party known to have an
4 interest;

5 (5) The address of the office and the name of the debtor who also has an interest in the
6 account; and

7 (6) The telephone number for the office.

8 The office shall send the notice required by this section to the other party known to have an
9 interest by regular mail, by electronic means, or by delivery by an employee of the office, within
10 two working days of sending the notice to the financial institution required by section 49 of this
11 Act.

12 Section 52. Upon receipt of a notice made pursuant to section 49 of this Act, the financial
13 institution shall do all of the following:

14 (1) Immediately encumber funds in any account in which the debtor has an interest to the
15 extent of the debt indicated in the notice from the office; and

16 (2) No sooner than fifteen days, and no later than twenty days from the date the financial
17 institution receives the notice made pursuant to section 49 of this Act, and unless
18 notified by the office of a challenge by the debtor or an account holder of interest,
19 forward the moneys encumbered to the office with the debtor's name and social
20 security number, the office's account number for the debtor, and any other
21 information required in the notice.

22 Section 53. The financial institution may assess a fee against the debtor, not to exceed
23 twenty-five dollars, for forwarding of moneys to the office pursuant to section 52 of this Act.
24 This fee is in addition to the amount being collected by the office from the debtor. If insufficient

1 moneys are available in the debtor's account to cover the fee and the amount in the notice, the
2 institution may deduct the fee amount prior to forwarding moneys to the office.

3 Section 54. Any challenge to an administrative bank levy may be initiated only by a debtor
4 or by an account holder of interest.

5 Section 55. A debtor or an account holder of interest challenging an administrative bank levy
6 shall submit a written challenge to the office within ten days of the date of the notice sent
7 pursuant to sections 50 or 51 of this Act, respectively.

8 Section 56. The office, upon receipt of a written challenge, shall review the facts of the
9 administrative bank levy with the challenging party within ten days of receipt of the challenge.
10 If the challenging party is not available for the review on the scheduled date, the review may
11 take place without the challenging party being present. Information in favor of the challenging
12 party shall be considered by the office in the review. The office may utilize additional
13 information if such information is available. Only a mistake of fact, including a mistake in the
14 identity of the debtor or a mistake in the amount owed to or being collected by the office, shall
15 be considered as a reason to dismiss or modify the levy. Reviews by the office under this section
16 are not subject to chapter 1-26.

17 Section 57. If the office determines that a mistake of fact has occurred, the office shall
18 proceed as follows:

- 19 (1) If a mistake in identity has occurred or the debtor does not have a debt to be collected
20 by the office, the office shall notify the financial institution that the administrative
21 levy has been released. The office shall send a copy of the notice to the debtor by
22 regular mail, by electronic means, or by delivery by an employee of the office; and
- 23 (2) If the debt amount to be collected by the office is less than the amount indicated in
24 the notice, the office shall send a notice to the financial institution of the revised

1 amount, with a copy of the original notice, and send a notice to the debtor by regular
2 mail, by electronic means, or by delivery by an employee of the office. Upon receipt
3 of the notice from the office, the financial institution shall release the funds in excess
4 of the revised amount and forward the revised amount to the office pursuant to the
5 administrative bank levy.

6 Section 58. If the office finds no mistake of fact, the office shall send a notice to that effect
7 to the challenging party by regular mail, by electronic means, or by delivery by an employee of
8 the office, and notify the financial institution to forward the moneys pursuant to the
9 administrative bank levy.

10 Section 59. The challenging party may file an action for wrongful levy in circuit court within
11 thirty days of the date of the notice sent pursuant to subdivision (2) of section 57 of this Act or
12 section 58 of this Act, either in the county where the debtor or the party known to have an
13 interest in the account resides or in Hughes County where the office is located. Actions under
14 this section are in equity and not actions at law. Recovery under this section is limited to
15 restitution of the amount that has been wrongfully encumbered or obtained by the office. A
16 challenge to an administrative bank levy under this section may not be used to extend or reopen
17 the statute of limitations, to protest other actions of the referring entity, or to contest the amount
18 or validity of the debt. Only issues involving the levy can be raised in a challenge under this
19 section.

20 Section 60. The notices provided for by sections 21, 26, 49, and 50 of this Act, in addition
21 to the requirements of each section, shall include the following:

- 22 (1) The name of the debtor;
23 (2) The social security number of the debtor, if known;
24 (3) The maximum amount to be forwarded to the office, which may not exceed the

1 amount of the debt plus the cost recovery fee being collected by the office regarding
2 the debtor;

3 (4) The prescribed time frames to be met in forwarding any amounts;

4 (5) The address of the office and the account number utilized by the office for the debtor;
5 and

6 (6) The telephone number for the office.
