State of South Dakota

NINETY-FIRST SESSION LEGISLATIVE ASSEMBLY, 2016

293X0560

HOUSE BILL NO. 1216

Introduced by: Representatives Hawks, Bordeaux, and Soli and Senators Jensen (Phil), Greenfield (Brock), and Hunhoff (Bernie)

- 1 FOR AN ACT ENTITLED, An Act to provide for the determination of avoided cost by certain
- 2 public utilities.
- 3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:
- 4 Section 1. That chapter 49-34A be amended by adding a NEW SECTION to read:
- 5 For the purpose of establishing the avoided cost rate for electricity produced by any small
- 6 renewable power production facility, the public utility shall account for and file the value of the
- 7 energy and the energy's delivery, the value of the generation capacity, the value of transmission
- 8 capacity and avoided transmission line loss, and the value of any system installed at a high-value
- 9 location on the distribution grid. The public utility may include other factors as determined by
- the public utility. If the values and methodology used for determining those values are deemed
- 11 confidential by the commission, the commission shall make the values and methodology
- 12 available to any customer of that public utility upon the request of the customer.
- 13 Section 2. That § 49-34A-108 be amended to read:
- 49-34A-108. Each electric utility shall file with the commission the electric utility's
- minimum rates for purchases of electricity generated from renewable resources, as defined by

- 2 - HB 1216

- 1 § 49-34A-94, and produced by a small renewable power facility that has a capacity of one
- 2 hundred kilowatts or less. Except for a public utility's standard avoided cost rates set pursuant
- 3 to the Public Utility Regulatory Policies Act of 1978, as amended to January 1, 2010, and as
- 4 provided in section 1 of this Act, a rate filed under this section is not subject to commission
- 5 approval.
