FILINGS WITH THE LEGISLATIVE RESEARCH COUNCIL

Notice

The **Department of Social Services** intends to make changes to the South Dakota CHIP State Plan regarding program strategic objectives and performance goals required under 42 CFR 457.710. The proposed State Plan Amendment (SPA) updates the CHIP State Plan strategic objectives, corresponding goals, and performance measurements to better reflect relevant quality measures and leverage existing quality measures and data sources.

The updated strategic objectives listed below will be measured annually for purposes of the CMS CHIP Annual Report:

1. Ensure the CHIP plan provides timely and satisfactory health coverage for eligible children.
2. Ensure the CHIP plan design and reimbursement lead to quality primary and oral health outcomes.

The SPA amends pages 6, 10, and 98-101 of the CHIP State Plan. The department intends to make the SPA effective November 1, 2026, and estimates there will be no fiscal impact associated with this SPA in Federal Fiscal Year 2026 or Federal Fiscal Year 2027.

The SPA is available to view on the department's website at <http://dss.sd.gov/medicaid/medicaidstateplan.aspx>. Copies of the proposed SPA pages are also available at the Department of Social Services, Division of Medical Services. Written requests for a copy of these changes, and corresponding comments, may be emailed to MedicaidSPA@state.sd.us or sent to the Division of Medical Services, Department of Social Services, 700 Governors Drive, Pierre, South Dakota 57501-2291. The public comment period will start October 19, 2026, and end November 18, 2026.
