SDCL 3-12c-223 requires the South Dakota Investment Council to report semi-annually the actions related to the shareholder activism policy adopted per Legislature resolution. The law states that, "The report shall include an analysis of the success of the policy in accomplishing the goal of promoting compliance with the federal enactments and its impact on all sales of affected companies." The 2010 House Concurrent Resolution No. 1012 directed the State Investment Council to activate a Social Activism Policy regarding Sudan. The enclosed policy was adopted by the Council on April 10, 2010 and is reviewed annually by the Investment Council.

The source for the South Dakota Sudan scrutinized companies list is Florida's June 15, 2021 published list, with the addition of the scrutinized companies' subsidiaries. The current South Dakota list is enclosed. No companies on the list are directly held by the South Dakota Retirement System therefore no policy engagement actions have been implemented. The Council will continue to monitor Federal government enactments regarding Sudan.

Sincerely,

Shareholder Activism Policy related to Federal Divestiture Enactments

The South Dakota Investment Council (SDIC) Shareholder Activism Policy relates to foreign companies whose securities are held by South Dakota public funds and may be subject to permissive divestiture enactments by the US Government.

The SDIC will make reasonable efforts, using publicly available information, to determine whether foreign companies whose securities are held by South Dakota public funds are on recognized lists in relation to the Sudan Accountability and Divestiture Act of 2007 or other federal divestiture enactments.

The SDIC will make efforts to formally engage identified companies to urge constructive change in company activities in identified countries. The shareholder activism engagement shall include:

1. **Annual written communication.** The annual written communication shall be repeated until the company is removed from recognized lists or the SDIC no longer invests in the company.
2. **Shareholder resolutions and proxies.** The SDIC shall consider the objectives of this policy when voting on shareholder resolutions and proxies.
3. **Risk Analysis.** The SDIC shall recognize, as part of the company valuation process, the risk inherent in business activities in the identified countries, which could lead to sale through the normal investment process.

The State Investment Officer shall maintain a record of written communications and report to the SDIC annually concerning communications and company responses.
