# A MESSAGE FROM THE EXECUTIVE DIRECTOR

To the Governor and Members of the Legislature

According to the Merriam-Webster dictionary the definition of resilience is an ability to recover from or adjust easily to change. Conducting business in fiscal year 2021 was about changing and adjusting. The challenge of the COVID pandemic transformed many aspects of business for SDHDA.

## LORRAINE POLAK

During this unprecedented time, unemployment was at an all-time high, housing and development costs skyrocketed and the supply chain for goods and materials was severely disrupted. In response, the SDHDA team stepped up and developed a plan to successfully execute the administration of various COVID relief fundings to assist those in need all while SDHDA employees navigated remote work, remote meetings and remote site inspections. SDHDA employees stepped up and adapted, but most of all continued to champion for housing in South Dakota.

Among our accomplishments, we are proud of Moody's assignment of Aaa, the best quality rating, to our Homeownership Mortgage Bonds issued with a stable outlook; 2,511 loans were purchased for South Dakotans; 381 new affordable rental units and 23 rehabbed housing units were financed with our housing development programs; 11,478 rental units continue to be monitored in 373 different properties to ensure they remain decent, safe and affordable; and 4,682 individuals and/or families received housing assistance payments to help them afford rent.

The challenge of the pandemic may have changed the way we did business but it did not diminish our desire to build and provide housing for South Dakotans.

# FISCAL YEAR ACTIVITIES

## JULY

Employees started transitioning back to the office working three days at home and two days in the office to limit COVID exposure. New Board Member Preston Steele was appointed by Governor Noem.

## AUGUST

SDHDA closed \$99 million in homeownership mortgage bonds at one of the lowest long-term financing interest rates that SDHDA has ever had. Bond proceeds were used to acquire mortgage loan assets.

## SEPTEMBER

Forty-four applications were submitted for housing developments asking for \$18.8 million in housing funding. SDHDA hired a new staff member to oversee the Coordinated Entry System implementation. REAC inspections, which were paused due to the COVID-19 outbreak in March 2020, were resumed under strict safety protocols.

## OCTOBER

After 30 years of hosting our annual housing conference in-person, COVID imposed virtual protocols. SDHDA was awarded \$10 million in CARES Act monies to assist South Dakotans who had been financially impacted by COVID-19 and needed help paying their rent, mortgage, and/or utilities.

## NOVEMBER

Commissioners committed \$3.7 million in Housing Tax Credits, \$4.6 million in HOME Investment Partnership Program funds, \$1.5 million in Housing Opportunity Funds and \$2.4 million in Housing Trust Funds. The 20 projects funded will provide South Dakotans with 273 newly constructed and 16 rehabbed multifamily housing units and four single-family homes. The approved funding will also provide downpayment assistance for 61 households, homeowner rehabilitation for 28 homeowners and provide services and financial support for 14 households who are homeless.

## DECEMBER

Commissioners voted to increase the purchaser's net worth and liquid asset limitations for the Governor's House Program. Previous limits were established in 2003.

## JANUARY

Executive Director Mark Lauseng retired after 34 years of service and Lorraine Polak became Executive Director on January 8. SDHDA closed \$66 million in homeownership mortgage bonds at favorable rates. Two new temporary staff people were hired to assist with the SD CARES Housing Assistance program.

## FEBRUARY

On February 8, SDHDA began accepting applications for \$200 million in Federal funds for emergency rental assistance. Governor's House orders skyrocketed as homeowners placed orders before the purchase price was increased.

## MARCH

The purchase price for the Governor's House and DakotaPlex was increased to account for soaring construction material costs. First International Bank and Trust and Homestar Financial Corporation were approved as participating lenders for SDHDA's homeownership programs.

## APRIL

South Dakota received \$9.2 million in HOME-ARP Funds to create affordable housing and services for people experiencing or at risk of becoming homeless. SDHDA increased the purchase price limits for SDHDA's homeownership programs.

## MAY

Two new enhancements were made to SDHDA's mortgage program in an effort to provide additional assistance to buyers. SDHDA eliminated the one percent origination fee and announced a second option providing additional downpayment assistance at five percent of the first mortgage amount.

## JUNE

SDHDA held a public meeting on the draft Homeowner Assistance Fund Allocation Plan to gather public ideas and comments regarding how the \$50 million in homeowner assistance should be dispersed. Also started ERA-II to assist additional households.
