## Brand Board Legislative Report for Calendar Year 2021

The South Dakota Brand Board operates on funds generated from the brand registration program and the brand inspection program. The Brand Board does not receive any general fund appropriations. **The registration and the use of brands apply to the entire state.** The livestock ownership inspection area in South Dakota is west of the Missouri River. Any livestock leaving this inspection area must have a livestock ownership inspection or transportation permit prior to leaving. Livestock sold at livestock markets in western SD are inspected for ownership at the markets. Livestock sold privately must also have ownership inspections. Members of the Brand Board are appointed by the Governor and confirmed by the Senate. Brand Board members are Scott Vance, Faith; Myron Williams, Wall; Lyle Spring, Union Center; Dave Koupal, Edgemont; and David Paul, Mud Butte. The Brand Board employees 11 full time brand inspectors, stationed at 10 livestock markets in western SD, 100 part-time/local brand inspectors and an office staff of eight which include the Director, Brand Inspection Chief, two Brand Enforcement Officers/Livestock Investigators and four support staff.

### **Livestock Inspections**

In CY (calendar year) 2021 a total of 1,817,952 head of livestock were inspected. This is an increase of 203,568 head from 2020. The increase is largely due to drought conditions in South Dakota and surrounding states. Fifty-nine holds were submitted to the Brand Board office to resolve ownership. Table 1 shows the inspections by month for each category. Table 2, which lists CY 2020 information, is included for comparison purposes. Some of the reported numbers are subject to change as data may be received in the brand office after the completion of this report.

### **Deposits for Inspection**

Monthly inspection receipts, from fees collected at livestock markets and local inspections, are shown in Table 4. Fees collected for locker plants and feedlot inspections are included in the livestock market totals. Since July 1, 2013, the brand inspection fee is a \$1.00 per head plus mileage. The current mileage rate of \$.42/mile is set by the Board of Finance. The inspection receipts listed below do not include the mileage fees collected for local inspections. The brand inspectors are reimbursed for mileage. The CY 2020 fees are included for comparison purposes.

### **Missing or Stolen Livestock**

The number of livestock reported missing or stolen in CY 21 **decreased** by 75 head as compared to CY 20. The head count and type of livestock reported missing or stolen in CY 2021 are listed in Table 5. The numbers reported for CY 2020 are listed in Table 6. Some of the livestock reported missing or stolen may be the result of a civil dispute between producers, lenders taking possession of their security, or livestock may have died. Livestock which has been found or recovered may have been found by the owner, brand inspectors, livestock investigators or other law enforcement officials. **Producers who believe their livestock has been stolen should contact their local sheriff immediately.** The Brand Board works with other law enforcement agencies on missing/stolen livestock cases.

### **Recovered Strays**

While conducting local brand inspections or inspecting livestock at livestock markets, strays are recovered by brand inspectors. Table 7 below shows the number and type of livestock recovered during inspections completed for years 2017 thru 2021.

### **Brand Board Holds**

A hold is placed on livestock sale proceeds if proof of ownership has not been established by the shipper of the livestock or the livestock was an estray. Prior to sending the proceeds to the Brand Board office, Brand inspectors attempt to resolve these holds for 60 days after sale date. Holds, which have been submitted to the Brand Board office, are shown below in Table 8. The head count of livestock held at livestock markets, feedlots, locker plants and local inspections are included in Tables 1 and 2 on pages 2 and 3. If a hold was for an estray, the Brand Inspection Chief reviews grazing reports, missing livestock reports, obtains information from Animal Industry and from brand offices in surrounding states to try to determine the owner. A detailed listing of Holds Received, Holds Paid, Pending, and Escheated to the Theft and Prevention Fund is included in the Appendix of this report. One hold in CY 20 was for 328 head which was the result of a civil dispute.

### **Livestock Investigations**

Legislation was passed in 2020 which gave the Brand Board authority to hire certified law enforcement officers for the enforcement of brand and livestock ownership inspection laws. Prior to 2020, livestock investigators were under the authority of the Attorney General's Office and supervised by the Division of Criminal Investigation (DCI). The expenses for the brand enforcement/livestock investigators are paid out of the Brand Fund. The main source of revenue for the Brand Fund is from brand renewals. The Brand Board currently has one full time brand enforcement/livestock investigator, and another employee is currently attending the Law Enforcement Academy. The Brand Board assists local law enforcement statewide in the investigation of missing livestock.

### **Brand Program**

The Brand Board is also responsible for brand registrations, transfers, brand renewals, shipper permits, grazing permits, and trailing permits. Table 10 shows the main brand program revenue for 2021 and 2020. Brands are renewed every five years. Therefore, 2020 was a renewal year with the renewal period being January 1 - May 1, 2020. If a brand owner does not renew their brand by May 1<sup>st</sup> of the renewal year, the brand owner has two years to re-record their brand. The brand book is online and can be found on the Brand Board's website [sdbrandboard.sd.gov](http://sdbrandboard.sd.gov)

## **Summary**

In calendar year 2021, there were 373 head of stray livestock that were recovered by brand inspectors. This livestock was either returned to the owner or sold and the proceeds paid to the owner. The number of livestock inspected in CY 21 increased by 203,568 head largely due to drought conditions. Total head inspected in CY 21 was 1.8 million.

In addition to the 373 head of stray livestock recovered in CY 21, there were 51 head of livestock found/recovered which had been reported as missing. If anyone believes their livestock has been stolen, they should contact local law enforcement immediately. The Brand Board's website [sdbrandboard.sd.gov](http://sdbrandboard.sd.gov) has a link to the SD Sheriff's Association which lists the Sheriffs' contact information.

Total livestock reported missing or stolen for CY 21 was 607 head. This is a 75 head decrease from CY 20. In addition to receiving reports of missing livestock, the Brand Board receives hundreds of phone calls each year on topics ranging from trespass livestock to livestock ownership disputes in estate and divorce cases.

The Brand Board has seen an increase in the number of civil disputes regarding livestock ownership. Producers are urged to file the necessary documents to protect their operation when placing their livestock in the care of others or when caring for another producer's livestock.

The Brand Board strives to keep expenses to a minimum to operate the inspection program on a fee of \$1.00/head plus mileage. Fees collected from the brand inspection program are used to operate the brand inspection program only.

The Brand Board issues shipper permits, grazing permits, and trailing permits at no cost to the producers. Shipper permits allow producers to take their livestock out of the inspection area to an open market, without being inspected, as they will be inspected at the livestock market. A grazing permit is issued to those producers who have imported cattle for grazing which are branded with an out of state brand. If a pasture is divided by the state line, trailing permits may be issued to allow livestock to walk back and forth without a brand inspection.

The re-record period for brand registrations will expire after May 1, 2022. The Brand Board has sent notices to those brand owners who have not renewed their brand registration to remind them of the deadline. Currently, there are 25,702 registered brands in South Dakota. The fee to renew a brand registration is \$18.00/year. This fee is paid every five years which totals \$90.00/brand.
