Executive Board  
c/o Reed Holwegner, Director  
Legislative Research Council  
500 E. Capitol Ave.  
Pierre, SD 57501

South Dakota Codified Law 4-5-58 states that by January fifteenth of each calendar year, the State Investment Council shall submit a report to the Executive Board of the Legislative Research Council regarding compliance with SDCL 4-5-48 to 4-5-60, Iran Divestiture. The items to be addressed in the report as outlined in the law are listed below. The actions taken by the Council are in italics.

1. A copy of the most recent list of scrutinized companies;  
§4-5-49 instructs the Council to identify all scrutinized companies in which it has direct holdings from publicly available information. *The Council references the list produced by the State of Florida.*  
§4-5-50 requires the Council to assemble a list of scrutinized companies in which it has direct holdings from the list developed. *This was originally completed at the August 23, 2010 Council meeting.*  
§4-5-51 states that the Council shall update the scrutinized companies list each quarter based on continuing information. *The memorandums to the Investment Council dated January 18, 2022, March 22, 2022, May 13, 2022, July 19, 2022, and October 27, 2022 are attached. These memorandums included staff recommendations to update the scrutinized companies list that were approved by the Council. The scrutinized company list will continue to be updated as new information is received.*
2. A summary of correspondence with companies engaged by the State Investment Council pursuant to §4-5-52 (Procedures with respect to companies on the scrutinized companies list);  
*No new companies were added to the scrutinized companies list in which a direct position was held.*
3. A list of all investments sold, redeemed, divested, or withdrawn in compliance with §4-5-53 (Divestiture of securities in companies with scrutinized business operations);  
*No direct holdings were sold, redeemed, divested, or withdrawn as a result of the Iran divestiture law.*
4. A list of all prohibited investments pursuant to §4-5-54 (Acquisition of securities in companies with scrutinized business operations prohibited);  
*The internal managers and direct external managers have been provided the updated scrutinized companies list and instructed not to purchase any company on the list. The Investment Council's investment accounting department monitors the various account holdings.*

5. A description of any progress made pursuant to §4-5-57 (Indirect holdings in actively managed investment funds).

*Notifications made and staff will continue to monitor.*

On July 1, 2010 the President of the United States signed H.R.2194: Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2009 which amended the Iran Sanctions Act of 1996. The State of South Dakota is subject to the federal law if it enacted divestiture legislation "before, on or after the date of the enactment of this Act". Both the state and federal law went into effect on July 1, 2010. The Federal requirements must be met to be granted safe harbor from legal action under the "Authority to Divest" provision.

Compliance with the federal law included:

1. Providing written notice of the South Dakota law to the US Attorney General in the Department of Justice.  
*Wade Hubbard, then counsel for SDRS, made the required notification in 2010.*
2. Providing written notice to each company to which the South Dakota law applies.  
*As per §4-5-52 companies have been notified as they have been added to the list. Updated notifications were sent by email on January 16, 2020 to all parent companies on the list.*
3. Divestiture cannot apply to a company earlier than the date that is 90 days after the date of the written notice.  
*The 90-day requirements are concurrent with the 90-day state law requirements in §4-5-52. No companies were sold for divestment purposes during the 90-day period.*
4. Opportunity provided for companies to demonstrate that the measure shall not apply.  
*Companies were given 90 days from notification to demonstrate in writing that the divestment requirements should not apply.*
5. Make every effort to avoid erroneously targeting a company and verify that the company has targeted activities in Iran.  
*§4-5-52 requires that a scrutinized company on the list be given the opportunity to clarify its scrutinized business operations in writing before divestment can occur.*

Any changes to the Federal sanctions law, or its application, will be monitored to determine the effect on the Iran scrutinized companies list.

Sincerely,

Matthew L. Clark  
State Investment Officer

RE: Iran Scrutinized Companies List

The Iran divestment law (SDCL 4-5-48 to 4-5-60) went into effect on July 1, 2010. The Council utilizes a public list provided by Florida to determine the South Dakota list of Iran scrutinized companies.

**Florida updated their Iran scrutinized companies list on December 20, 2021. There were no additions or deletions from the prior list.**

SDCL 4-5-57 allows SDRS to invest indirectly in companies on the list through pooled funds. SDRS has about 0.5% of total fund assets invested in a pooled fund managed by Dimensional Fund Advisors (DFA) which at times has held companies on the list. DFA has been informed of the law and their response is on file. SDRS is less than 1% of the DFA pooled fund.

Staff continues to monitor changes to the Federal sanctions law, or its application, to determine the effect on the South Dakota Iran scrutinized companies list.

**STAFF RECOMMENDATION:** *Staff recommends no changes to the South Dakota Iran scrutinized companies list (attached) during the February 3, 2022 Council virtual meeting.*
