

Larry Fossum – Hartford – In favor of SB68

Fellow South Dakotans. My name is Larry Fossum, I live in Minnehaha County, District 9. I am the Pastor for the Cowboy Way Church outside of Hartford SD and a retired veteran of 35 years. I am strongly in favor of SB 68 and would ask for a yes vote from you on this bill. As a veteran we were willing to give our lives for the citizens of this Nation. Non citizens don't qualify and until they go through the process people like my mother went through as an immigrant to become a legal citizen, they don't have legal right to vote. When proved they are a citizen, they have all the rights I and my comrades fought for. Again a Yes vote is requested from you. Please refer this email to members of the committee hearing SB 68. Thank you for your time. Larry Fossum 46089 263rd St. Hartford SD.
