A person who maintains residence, as provided in § 12-1-4, within the state for at least thirty days prior to submitting the registration form, and who has the qualifications of a voter prescribed by § 12-3-1 or 12-3-1.1, or who will have such qualifications at the next ensuing municipal, primary, general, or school district election, is entitled to be registered as a voter in the election precinct in which the person maintains residence.

A person eligible to vote **may vote only in the election precinct where the person maintains residence.**

It violates State Law to allow a person to vote outside of their precinct.

Article VII, Section 2

§ 2. Voter qualification. Every United States citizen eighteen years of age or older who has met all residency and registration requirements shall be entitled to vote in all elections and upon all questions submitted to the voters of the state unless disqualified by law for mental incompetence or the conviction of a felony. The Legislature may by law establish reasonable requirements to insure the integrity of the vote.

Each elector who qualified to vote within a precinct shall be entitled to vote **in that precinct** until he establishes another voting residence. An elector shall never lose his residency for voting solely by reason of his absence from the state.

They are not entitled to vote anywhere in the County.
