 1,543 students

## SOUTH DAKOTA MINES

At South Dakota Mines, the focus extends beyond teaching STEM; the university prepares students to lead in the field. As one of the nation's leading engineering, science and technology universities, students engage in hands-on experiences, real-world opportunities, and build a solid foundation for future careers. The outcome is exceptional career placement and a significant return on student's educational investment. SD Mines students become part of a vibrant campus community representing states across the U.S. and more than 40 countries, all connected by a shared passion for innovation.

### UNIQUE TO SDM:

Sanford Underground Research Facility (SURF) Partnership  
 Innovation District  
 Museum of Geology

### TOTAL DEGREES AWARDED:

Undergraduate Degrees Awarded: 350  
 Graduate Degrees Awarded: 117

### TOP MAJORS:

Mechanical Engineering, Computer Science, Civil Engineering,  
 Metallurgical Engineering, Electrical Engineering
