SB 124

Sen Jensen

The original task force was 15 legislators, Secretary Wasko and 6 non legislators
Only 5 of those legislators are still in the legislature.

A social worker

A police chief

A Mayor /councilman

A Judge

A Business man

A I am not sure my google search found the right person but maybe a
convict.

I would suggest an amendment to include

- Key Stakeholders in the pipeline feeding the Penitentiary.
 - Law Enforcement
 - Prosecutor(s)
 - Defense counsel
 - Court Administrator(s)
 - Judge(s)
 - Probation Officer(s)
 - Parole Officer(s)
 - Successful former inmates
 - Former Wardens
 - Corrections officers
 - Clergy who conduct Prison Ministry
 - Mental Health professional(s), Counselor(s),
Addiction counselor(s), Teen Challenge Director or other
successful program administrators,
- Secretary of Corrections
- Governor's Office representative

I would ask that you move this forward so we can address all the issues and keep
moving towards a solution.
