-Al Gilbertson - Dear Senators, Please Vote NO on the following: HB1073 - NO - this will make phone numbers and email redacted information on the voter rolls. This information is already OPTIONAL. This is bad for citizen and precinct committee canvassing and voter roll auditing, and backwards for transparency. Therefore we are asking the committee to VOTE NO on HB1073. Respectfully, Al Gilbertson, Baltic.

Brenda Hudelson, Sioux Falls. Elections will continue to be a big deal for some time yet. Please vote: **HB1073 - No**. Brenda Hudelson, Sioux Falls.

-Yvonne Anast – Lawrence County. **VOTE NO on HB1073** so that we can make phone number and email redacted information on the voter rolls. This information is already OPTIONAL and this is bad for citizens, precinct committee canvassing and voter roll auditing, and puts us backwards in regards to transparency. Yvonne Anast, Lawrence Co.
