

Workforce Housing 2017 Interim Study

TITLE OF STUDY

Workforce Housing

SCOPE OF STUDY

Study the need for workforce housing in South Dakota, especially in the rural areas and in smaller communities. The study should include a review of programs offered by the South Dakota Housing Development Authority. The study should explore and recommend possible ways to address current and future workforce housing needs. All municipalities should be included, but priority should be given to class 2 and class 3 municipalities.
