

County Funding and Services

TITLE OF STUDY

Study Committee on County Funding and Services

SCOPE OF STUDY

The scope of the study is to examine the appropriate administration and funding of certain services to be provided by county governments, including, but not limited to: medical assistance for indigent persons, juror fees, elections, veteran service officers, criminal defense costs, court costs, cybersecurity costs, and mental health holds. In particular, the study will seek policies to encourage regionalization, consolidation, or alternate provision of services to gain efficiency for county governments and taxpayers. The study will further examine the available revenue sources of county governments and their utilization.
